GOALS FOR 2004

A top priority for Maryland Wing Music is to help National Headquarters bring into being a new music career track for musicians. This process is underway and will, we hope, be completed soon. This will mean long-overdue promotions and recognition for so many of you who have contributed so much to the success of Civil Air Patrol music. Another important goal is to bring our swing and concert bands up to full strength. This means more recruitment. A number of you have already eligible for recruitment ribbons. A recruitment ribbon may be awarded to anyone who has recruited two members of Civil Air Patrol. A senior recruiting ribbon can be given to those who have recruited seven members. Please let Major Carroll know who in the band [who are also CAP members] you recruited and when, so that you can get this award. Encampment ribbons are awarded to CAP members who serve on encampment staff. This should include the National Military Music Academy so please let Major Carroll know which NNMA encampments you served on. This year's NMMA is expected to be the biggest yet and we'll need lots of help. Please consider it.
